## Annual Report 2020-21

This is the 17<sup>th</sup> year of the School. The School has grown substantially from Primary classes in 2004 till 12<sup>th</sup> class in the current year.

The year started on an unfortunate note as the life all around was affected by the covid epidemic. All Activities like Business Houses, most of the Govt. offices and all educational institutes were closed to avoid spread of epidemic. To cope up with the situation and to minimize the loss in studies the classes were held online with the help of Smart phones and computers.

- All classes were held in Online mode using softwares like zoom for classes 8<sup>th</sup> and above and on Whatsapp for classes 7<sup>th</sup> and below. However the start was not so smooth. There were problems like non availability of smart phones in all families and Network issues. Which was resolved gradually.
- The school also received Appreciation Letter from CBSE . The school was awarded A+ Category for continuously achieving 90+ pass Percentage for the last 3 years.
- A Drawing Competition was organized on line by the School and the Police Department. The topic was 'Drug Abuse' .
- Every Saturday the day is fixed for the Primary Classes as the Activity day. It was organized online due to the Covid constrains.
- In classes 6th to 8th Saturday is fixed for Language day.
- All National Festivals were celebrated in online Mode.
- Webinar was organized for the Parents along with the students of class 10th and 12th regarding preparation for the upcoming Board Examination.
- The Pre board exams were conducted as regular exams and other unit exams were held in online mode.
- The School also arranged special Practical classes and regular classes for Classes 10th and 12th for approximately two Months to guide them for the Board Exam.
